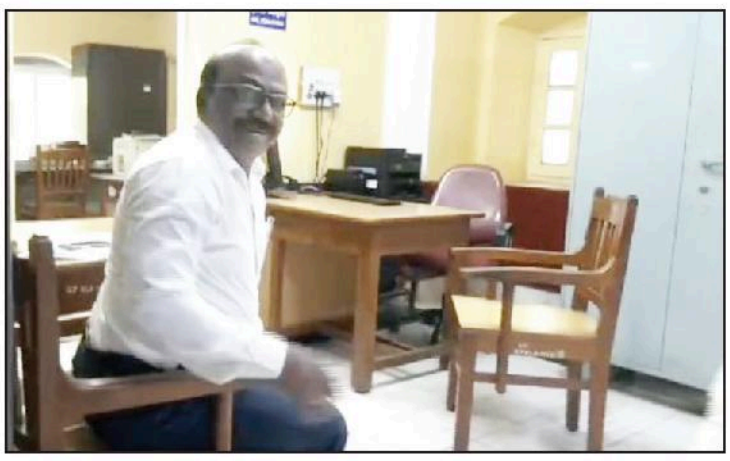
MUDA 50:50 sites scam

Lokayukta Police speed up second round of questioning

- To submit interim report to HC by Nov. 25
- Former Additional DC S. Palaiah quizzed again



S. Palaiah, former Additional Deputy Commissioner (ADC) of Mysuru at Lokayukta Office in city this morning.

Mysuru, Nov. 20 (BLU&DM)- With Mysuru Lokayukta Police speeding up the second round of questioning in connection with Mysuru Urban Development Authority (MUDA) 50:50 sites scam, former ADC of Mysuru, S. Palaiah, who had served in the post in 2004-05 and also briefly as MUDA Commissioner, appeared before the Lokayukta SP at his Office on Dewan's Road here for the second time today for further questioning.

Following a High Court (HC) order, Lokayukta Police, on Sept. 27, 2024, had registered a case in connection with MUDA scam, naming CM Siddaramaiah as Accused No.1, his wife B.M. Parvathi, who was allotted 14 sites by MUDA in exchange for 3.16 acre of land in Kesare, as Accused No.2, CM's brother-in-law B.M. Mallikarjunaswamy as Accused No. 3 and J. Devaraju, the original land owner in Kesare Survey No.464, as Accused No.4. The High Court then had also directed the Lokayukta to submit an interim report on the inquiry by Nov. 25.

Now, with just 5 days left for submission of its interim report to the HC, the Lokayukta Police led by SP T.J. Udesh, are racing against time and burning the midnight oil to submit the report within the Nov. 25 deadline. The HC is scheduled to hear a petition seeking a CBI probe into the MUDA scam on Nov. 26.

As part of its continued investigation, Lokayukta Police had summoned Palaiah for questioning today for the second time.

Palaiah had first appeared before the Lokayukta here on Oct. 24 after being issued a second notice as he had skipped the first one. Palaiah was quizzed for over two hours this morning.

CM's brother-in-law appears before Lokayukta SP twice within 24 hours

Meanwhile, B.M. Mallikarjunaswamy, brother-in-law of CM Siddaramaiah, who has been named as Accused No. 3 in MUDA case, appeared before the Lokayukta SP T.J. Udesh for the second time last evening, reportedly following issuance of a notice. He was first questioned by Lokayukta more than a fortnight ago.

Mallikarjunaswamy appeared at the Lokayukta Office at about 8 pm for deposition in the case, half-an-hour after former MUDA Commissioner Dr. D.B. Natesh, who was serving in MUDA when the alleged scam took place, had walked out of Lokayukta Office at 7.30 pm after hours of questioning yesterday.

The Lokayukta officials sought details pertaining to Bank transactions and in response, Mallikarjunaswamy is said to have presented some documents, it is learnt.

Mallikarjunaswamy visited the Lokayukta Office today afternoon too and is said to have presented some additional documents sought by the Lokayukta.

EDITOR'S BOTTOMLINE

It is common to hear people say this: "We are so close…" The close connect here could be between two friends, cousins or colleagues. What exactly defines this closeness? Is it unconditional love without expectations, where trust is a given? Or, is it with who one has a fusillade of fun escapades? Or, is it where envy, ego or 'tit-for-tat' attitude do not find a place? Or, is it when one feels safe enough to share secrets sans any misgivings?

A cousin was once saying, "I always considered a colleague as being very close. Recently, I had got embroiled in an embarrassing mess due to someone else's folly. When a senior was wrongly taking swipe at me, this so-called friend, stood totally silent, without springing to my support. Especially when she knew I was faultless. When being a fence-sitter itself was a foul thing, she even went fawning the senior, to firmly fortify her career!"

Sadly, this is the story of many. What we seldom realise is, when we try sticking to both opposing sides without taking a stance in such situations, we'd end up being solo in life, with none to offer us succour when we are stuck with a sticky wicket! What it means in being 'actually close' to someone special, is best shown, not by merely declaring; but by standing up for that person, when situation demands. It is tacit that 'closeness' is when one tries throwing their image at stake, taking on the world itself, in testing times.

There is yet another cardinal component to 'closeness' concept. When close people try sharing their sob stories, instead of listening (as if it were some soppy telly soaps, with all sadistic delight), offering solace, in the strict sense, is supremely important. Besides, taking care not to touch upon terribly sensitive areas, thereby traumatising the person further.

Now, when someone is struggling at a stage of spirit-sapping moments, what words could be more soothing? Is it when we say, "When sleazy people are having surfeit fun, why should sweet soul like you suffer and struggle?" Or, is it "Every suffering surely has a specific reason. Your painful phase too will pass. Trust me, you'd have terrific times ahead?" Well, only true closeness can tell this!

Minister's banana phobia makes news!

Stockholm: Sweden's Minister for Gender Equality and Work Life allegedly suffers from an irrational fear of bananas that prevents her from coming anywhere near the popular fruit.

Minister Paulina Brandberg first mentioned her banana phobia in a since-deleted 2020 tweet, describing it as "the world's weirdest phobia," but the issue recently resurfaced and made national news in Sweden after a series of leaked emails that revealed the strength of her aversion to the yellow fruit were published.

Brandberg's staff have been going to great measures to ensure that the 41-year-old politician does not come into contact with the fruit, messaging people and venues she was scheduled beforehand to inform them about her phobia and making sure no rogue bananas make an appearance.

Museum breaks record for paper rocket launch

The science centre gathered 271 visitors in its Dr. Phillips CineDome on Saturday and participants were allowed three attempts to launch their rockets within a 15-second timeframe.

Nine participants were disqualified when their rockets failed to fly vertically or horizontally, but the 262 successful launches were enough to surpass Guinness World Records' goal of 250.

A Guinness World Records adjudicator was at the scene to confirm that the record was officially set for the most people flying paper rockets simultaneously.

Dysfunctional online dictionary of University of Mysore

Sir,

The English-Kannada Dictionary of Prasaranga, University of Mysore, has long been an invaluable resource for scholars and researchers, offering seamless access to its comprehensive content through an online platform with a user-friendly search feature.

However, it has been nearly six months since the dictionary disappeared from the website. Repeated inquiries to Prasaranga have yielded no progress.

Phone calls to their landline remain unanswered, e-mails have bounced and on one rare occasion, a staff member mentioned that the issue was tied to contract renewal.

May I urge the University authorities to address this matter promptly and ensure the dictionary's availability before the end of November, especially during the Kannada Rajyotsava celebrations? This resource is vital to the academic community and its reinstatement would be greatly appreciated.

Demand to reclaim illegal site allotments by MUDA

Mysuru, Nov. 20 (SBD&BCT)- Karnataka Educated Unemployed Association State President, Koodluru Sridhara Murthy, has demanded the reclamation of all illegally allotted sites by the Mysuru Urban Development Authority (MUDA) for redistribution to eligible applicants who have been waiting for decades.

Speaking at a gathering of applicants at the Chamundi Guest House recently, he called for the repossession of sites illegally acquired by elected representatives, officials and intermediaries, referencing Chief Minister Siddaramaiah, who returned 14 such sites to MUDA.

Murthy highlighted irregularities during the tenure of former MUDA Commissioners Dr. D.B. Natesh and G.T. Dinesh Kumar, who are under investigation for illegal site allocations.

He also criticised the rejection of a rightful claim by D. Nagamani, the widow of an SC applicant, on the grounds of dual categorisation under Scheduled Caste and ex-servicemen categories.

Retired Transport Department employee Mahesh, who has submitted applications six times since 1992, remains without a 20x30 site despite being eligible, he added. Murthy lamented that thousands of applicants face similar disappointments, while illegal beneficiaries continue to exploit the system.

Murthy demanded that all illegally obtained sites be reclaimed, the culprits jailed, and the reclaimed sites redistributed to deserving applicants. He further proposed that MUDA be dissolved if these demands are not met. He announced plans for another meeting with aggrieved applicants to intensify their struggle for justice.

Most wanted Naxal leader Vikram Gowda killed in encounter

Udupi, Nov. 20- Maoist leader Vikram Gowda (46) was killed in an exchange of fire between the Anti-Naxal Force (ANF) and a group of Naxals at Peete Bailu village in Kabbinale area near Hebri of Udupi district late on Monday night. The incident marks the first killing of a Naxal leader in an encounter in Karnataka since 2012.

Vikram Gowda

Vikram Gowda was the most prominent member of the Maoist group active in the State and had been on the Police's most wanted list for 22 years. A member of Malekudiya tribal community, he went underground to join the armed Naxal Movement.

Roopa D. Moudgil, Inspector General of Police (IGP) of the Internal Security Division (ISD), under which the ANF functions, told reporters that Gowda was one of the most wanted Maoist leaders in Karnataka, who was facing 61 cases in Karnataka and 19 in Kerala, which included murder, extortion and other cases.

Following a tip-off about the group's movement in Udupi and Chikkamagalur districts, ANF personnel had been combing the area since Nov. 10.

IGP (Internal Security) Roopa D. Moudgil inspecting the Naxal Combing Operation spot yesterday.

An ANF team, headed by SP Jitendra Dayama, launched an operation late on Monday night when a group of 4 Naxals came to collect ration at Peete Bailu. Gowda was killed in the exchange of fire that ensued, while three other Naxals — Mundagaru Latha, Jayanna and Vanajakshi — escaped under the cover of darkness, for whom the Police have spread a net for nabbing.

Sources said that the ANF recovered a Carbine Machine gun, which Gowda used, near his body. None of the ANF personnel were injured in the exchange of fire.

While Karnataka Police had announced a reward of Rs. 5 lakh for information on Vikram Gowda, who was on the run for 22 years, Kerala Police had announced a reward of Rs. 50,000.

ANF SP Dayama said that a case has been registered at Hebri Police Station regarding the Naxal encounter, in which the ANF has also been made a party. All Supreme Court guidelines are being followed, he added.

Meanwhile, State Home Minister Dr. Parameshwar defended the Police encounter saying that it was inevitable.

Speaking to press persons at Bengaluru yesterday, Dr. Parameshwar said that the group of Naxals, led by Vikram Gowda, fired at the Police and as such, the Police had to open fire in retort. Pointing out that Vikram was killed in the exchange of fire between the Police and Naxals, he said that the killed Maoist leader was wanted by the Police for 22 years.

Stating that Vikram had successfully escaped the Police net all these years after he went underground, he said that the Police were watching his movements. "Acting on a tip-off that Vikram had come to the area, the Police attempted to nab him, when he opened fire at the Police, following which he was shot dead in an encounter," the Minister added.

State Government is retrieving BPL cards only from ineligible beneficiaries: CM

Bengaluru, Nov. 20 (KMS& VNS)- Those living under poverty line are eligible to apply for BPL cards, said Chief Minister Siddaramaiah here yesterday.

Speaking after taking part in the birth anniversary celebrations of former Prime Minister Indira Gandhi at Karnataka Pradesh Congress Committee (KPCC) office, he said that the Department has decided to retrieve ineligible BPL cards from people who have been enjoying the benefits extended by the Government depriving the benefits to eligible beneficiaries.

"While the BPL card is issued to those living Below Poverty Line and APL card to people living Above Poverty Line, there are people, who despite not being eligible, are enjoying the benefits and only such BPL cards are being converted to APL cards. The State Government at any cost will not deprive the poor of their right to food," he said.

Taking a dig at the Opposition, CM Siddaramaiah said that the Opposition parties were creating unnecessary confusion and questioned if 80 percent of the people living in the State were actually living below poverty line. "Many have created fake documents to secure BPL cards and unfortunately we are now forced to portray about us being poor State," he said.

KPCC President and Dy.CM D.K. Shivakumar, who spoke on the occasion, stated that it was the Congress Government that extended benefits to the poor and not the BJP.

"The Congress Govt. has been providing free rice, pensions, houses and land for the tillers. Our Government will work for the welfare of the poor. The Opposition parties have been unnecessarily politicising the matter. The BJP and H.D. Kumaraswamy have no other issues to comment on our Government. They have done a lot of injustice during their tenure by not providing benefits for the poor," he added.

What is the contribution of Kumaraswamy?

"Kumaraswamy, who claims the economic condition of the State is poor, must also comment about his contribution to the State. We have not only been bringing investments into the State through Tech Summits but have also created jobs through such initiatives," he added.

Stating that Kumaraswamy should concentrate on executing that work assigned by Prime Minister Narendra Modi, the Dy.CM mentioned that the Union Minister, who has announced to create jobs in the State, is welcome to write a letter to the State Government along with the details of the proposed project and the required extension of land. I will personally ensure that the required land was handed over to the Union Govt.," he added.

Shivakumar also mentioned that BPL cards will not be issued to those coming under the Income Tax slabs. "The Union Government has issued guidelines to be followed to declare people are poor which is being followed in the State. If the BPL cards of the eligible people are cancelled, Chief Minister Siddaramaiah and the State Government has decided to reissue such cards to the beneficiaries, he said.

Commenting on a few of the Congress MLAs demanding for Rs. 100 crore funds to their Constituencies, the Dy.CM mentioned that the funds will be allocated depending on the guidelines and not according to the demands of the Legislators.

Senior Hotelier passes away

P.S. Gopalakrishna Rao

He leaves behind four sons, two daughters and a host of relatives and friends.

His mortal remains were kept at the residence of one of his sons, Praveen, in Nazarbad for public viewing this morning, following which the last rites were conduced at the foot of Chamundi Hill later in the afternoon.

Works atop Chamundi Hill opposed

Mysuru, Nov. 20 (PM&DM)- With civil works and felling of trees that affect the Chamundi Hill environment being carried out behind the Dasoha Bhavan atop Chamundi Hill, several environmentalists and organisations have severely opposed the works saying that such works threaten the environment.

Parisara Samrakshana Samiti President Bhanu Mohan, speaking to *Star of Mysore,* said that rocks have been broken (weathering) and soil has been excavated in the area behind Dasoha Bhavan atop Chamundi Hill. This apart, felling of trees too is going on for the reported execution of a pipeline project. The officials have been silent on the works going on there, she said and urged the concerned to stop the ongoing works and not to allow any construction works in the vicinity.

Maintaining that several trees have been felled and rocks broken in a 4-acre area behind the Dasoha Bhavan atop the Hill, she questioned the silence of officials on the matter.

Pointing out that the Forest Department officials, denying that trees have been felled, say that only the overgrown bushes have been cut down. She further said that it is learnt that some people are trying to build a 'Goshale' (Cow shelter) on this land.

Continuing, she said that the Chamundi Hill Gram Panchayat members, when questioned, said they have nothing to do with the works. "We tried to contact the Deputy Commissioner too, but could not. Along with me, there were Hrudayavanta Kannadigara Balaga President DPK Paramesh, Kannadambe Vedike President Rajashekar and others. The Chamundi Hill is a Forest Reserve and as such construction activities cannot take there. The Hill soil is smooth in nature and as such, there are high chances of landslides happening if the soil gets further loosened due to the ongoing works. Landslides have already occurred near Nandi Statue atop the Hill and it should be an eye-opener for everyone. Everyone says that the land on which the works are being carried out is a private property. Even the Forest officials say that the said land would not come under their purview. We cannot understand how the land becomes a private property when the Hill has been declared a Forest Reserve," Bhanu Mohan said.

Meanwhile, Forest Department officials maintained that the land in question indeed is a Revenue land. The Department staff have visited the spot and discovered that no trees have been felled and only the overgrown bushes and shrubs have been cut. The department is not executing any works there , they added.

'Land not under Hill Authority purview'

M.J. Roopa

Chamundi Hill Development Authority Secretary M.J. Roopa said that the said land is a privately owned property and does not come under the purview of the Authority.

"I have personally visited the spot, when I found that a Board mentioning as a Goshale was put up there. During my inspection, it was also discovered that 12 ft. of land belonging to the Authority too had been fenced, following which I got the gate removed. As for the rest, it is up to the local authority to take any action," she noted.

Survey No. 22/2 is a private property: Chamundi Hill Gram Panchayat PDO

Chamundi Hill Gram Panchayat (GP) PDO Roopesh told that the said land came under Survey No. 22/2 and it was a private property.

Pointing out that there were three owners for the land, he said that while two persons owned 27 guntas of land each, the third one owns 32 guntas of land.

Stating that the original owners of the land were locals, he said now the land has been sold to a person from Mangaluru.

Asserting that the said land does not come under the jurisdiction of the GP, he said that the land is concerned with the Revenue Department.

"The said land has been levelled by cutting down bushes and shrubs and breaking of rocks. Also, compound has been constructed on a stretch of the land and there is no information about the construction of a building there. Also, a board mentioning 'Goshale' has been erected on the site," Roopesh said adding that the land still remains in the record books as agricultural land and no application has been filed seeking change in land use.

Cut in NABARD loan to State

Peeved CM writes to PM, FM

Bengaluru, Nov. 20 (KMS& TRR)- Chief Minister Siddaramaiah has strongly criticised the Prime Minister Narendra Modi-led Central Government for slashing the National Bank for Agriculture and Rural Development (NABARD) loan to Karnataka by 58%, thus cheating the people of the State.

Siddaramaiah

The Chief Minister was speaking to media persons after paying floral tributes to the portrait of Saint Kanakadasa at a function organised to celebrate Kanaka Jayanti, recently.

"Previous year, a NABARD loan of Rs. 5,600 crore was advanced to the State, which has been slashed to a mere Rs. 2,340 crore. This is a great injustice done to the people of Karnataka and more particularly to the farmers of the State. **I have written letters to PM Narendra Modi and Finance Minister Nirmala Sitharaman**, not to deprive the farmers of the State, their share of loan amount. NABARD comes directly under FM Nirmala Sitharaman who is elected from Karnataka as a Rajya Sabha MP. What is she doing? There are two Cabinet Ministers in Modi cabinet from the State Pralhad Joshi and H.D. Kumaraswamy. Why are they silent? A staggering Rs. 4.50 lakh crore is being collected as tax from Karnataka and the Central Government allocates a mere Rs. 59,000 crore to the State. Let the NDA MPs and Ministers exert pressure on Modi and release funds to the State. Neither H.D. Deve Gowda nor H.D. Kumaraswamy, have raised their voice when injustice is meted out to the State," said CM Siddaramaiah.

The core function of NABARD is to implement various farm sector initiatives aimed at conservation and management of natural resources and creation of credit absorption capacity of farmers, to accelerate ground level credit flow through rural financial institutions to enhance agriculture production and productivity.

CM Siddaramaiah assured that, only those BPL cards which fail to meet the requisite criteria will be cancelled and the genuine card holders will continue to get all the benefits.

CCTV camera goof-up!

Hapless riders asked to pay fine for 'violation'

Mysuru, Nov. 20 (RK&TRR)- In two separate incidents, residents of Mysuru have been asked to pay a fine of Rs. 500 each as one of them was found triple riding and another not wearing a helmet while riding their two-wheelers at Periyapatna and Hullahalli Circle respectively, based on the visuals of CCTV cameras installed at these two places to monitor violation of traffic rules.

Interestingly, both the vehicles were in Mysuru on the day of their reported violation of traffic rules and were not in the places mentioned in the messages sent by the RTO Department to the vehicle owners.

N. Girsh, who works at a private organisation in Bannimantap, Mysuru, comes daily to office at 11 am in his TVS-XL Super KA-09-JD-9131, parks his vehicle there and goes out for his duty in a vehicle provided by his office. He returns to his house at 9 pm in his own vehicle. But, he receives a message on his cell phone that he has to pay Rs. 500 as per Motor Vehicle Act 133 for triple riding in his two-wheeler KA-09-JD-9131 on Nov. 17 at 3.43 pm, at Bettadapura Circle, Periyapatna, the visuals of which were captured by CC Camera installed there.

But the fact is that the said vehicle was parked at his office on that date and time. The message sent by the Department shocked Girish.

In another incident, Honnappa, a newspaper distributor who had parked his Hero Honda Passion Plus Bike KA-09-EL-7999 at Gandhi Square in city, has also received a message from the Dept. to pay a fine of Rs. 500 for not wearing a helmet while riding his bike at Hullahalli Circle in Nanjangud.

Modi must put India House in order before he leaves Office –2

[Continued from yesterday]

Narendra Modi is a disappointment only because he is also a hope.'

— From the book *'A New Idea of India'*

Those who voted for Modi in 2014, 2019 and 2024 expect him to set the House of Bharat Mata in order. There is so much of muck and mire left behind in the house by the earlier tenants. Luckily for Modi he has got a skilled house-keeper in Amit Shah, Home Minister.

Thank God, the non-secular, discriminatory and Constitutionally **temporary** Article 370 and 35A, to which Dr. B.R. Ambedkar was allergic, were annulled. **But Kashmir is only a part of many problems facing the majority Hindu population of the country.**

These days we see **politicians who are in trouble** mobilising party workers and their supporters violating the law of the land and intimidating the Courts like during Indira Gandhi's period. Today in Karnataka, we see the same trend in the cases of Mysuru Urban Development Authority (MUDA) and Maharshi Valmiki Scheduled Tribes Development Corporation scams. Congress leaders, who address public meetings holding a copy of our Constitution, swearing to protect it from the imaginary antagonists (say BJP), should introspect.

There is much to be done to reclaim the lost properties, dignity, self-esteem and the cultural, civilisational heritage by the Modi government. But the post-independence governments were unable to undo the 1,100 years of historical wrongs and wounds inflicted on Hindu India. **Which is why, "We the People" find our Justice System, modelled after our past rulers, breaking down, if it has not already broken down.**

A couple of days back, a reader of *Star of Mysore* had given a most dismal picture of our Judiciary with facts and figures. He had reasoned the causes for inordinate delay in the Justice delivery system and what it costs to the nation in terms of money and loss of faith in our political system.

If the Judiciary is the custodian of our Constitution, which in turn is the Foundation of our Democracy, then we must ensure the Foundation is not destabilised. Otherwise in times to come, the House of Democracy will collapse like it happened in 1975 Emergency.

In 2024, early this year, the Law Minister informed the Lok Sabha that there are only 21 Judges per 10 lakh population as against 50 Judges recommended by the Law Commission. Add to this shortfall, the vacant posts not being filled. As per NITI Aayog (formerly Planning Commission), it will take 324 years to clear the backlog. More than Rs. 10 lakh crore is held up in tax disputes alone!

One gets the feeling that no political party is serious in bringing reformation in the Judicial System because the present *status quo* is serving their purpose politically.

However, higher Judiciary is not here merely to deal with cases relating to Constitutional issues but also cases that touch a citizen's day-to-day life and rights. At present, the Constitution-related cases get urgent hearings in all Courts, most of them filed by the politicians. But, what about the common man and his plea for justice without delay?

Therefore, the Modi government must address the problems arising out of our broken down judicial system and tottering other Constitutional Institutions and Authorities. Modi must break the old mould of his political party, BJP and work only to put the house of Bharat Mata in order and make it safe for all the citizens without discrimination. He will then be BJP's new *Avatar*. Like Garibaldi of Italy, Atatürk of Turkey (Turkiye) and Bismarck of Germany. They unified their respective countries fragmented with many kingdoms.

In India that unification has already been done under the daunting leadership of Sardar Vallabhbhai Patel. But now, **Modi must bring in Judicial, Land and Administrative Reforms and Legislate Laws for a New independent India as per *Sanatana Dharma*, eternal law of justice to all. And to make this possible, Modi may further amend the Preamble of our Constitution, following the example of Indira Gandhi, with the motto:**

"JUSTICE FOR ALL, APPEASEMENT FOR NONE." This should be the idea of a New India.

Therefore, before Modi's term ends in 2029, he must prove that for our country's problems his government is not the problem, as former US President Ronald Reagan said, but it is the solution. **Modi's government should be a solver of problems of all those who are suffering injustice and discrimination even after 76 years of independence. A random list of problems is given separately.**

Some farmers are asking whether the Waqf Board is the government to get their land records or the Government of India? Narendra Modi as Prime Minister must answer them.

Indira Gandhi, former Prime Minister of India

Narendra Modi, present Prime Minister of India

A random checklist of problems for Prime Minister Modi to solve

1. Get back the **black money** stacked away in Foreign Banks.
2. Get back those **fugitive criminals** hiding in foreign countries.
3. Deal firmly with **illegal immigrants** from Bangladesh, Myanmar and Pakistan.
4. Free **Hindu temples** from the shackles of Government of India and State Governments.
5. If Central Government has powers, deal with the current controversial happenings in **Waqf Board** without delay. Act now, tomorrow it may be too late.
6. Abrogate **The Places of Worship (Special Provisions) Act 1991** or amend it to enable Hindus to get justice without harming the minority sentiments.
7. Bring in the **Uniform Civil Code (UCC)** as contemplated in Directive Principles of our Constitution. If there is uniform criminal law, why not a uniform civil law?
8. Implement **Citizenship Amendment Act (CAA)** 2019.
9. Review or Re-enact the present **Anti-Defection Law** which is misused and has become as good as dead. Look at the evil of 'Operation Kamala' and 'Ghar Wapsi' and restore dignity and pride of an elected representative for ensuring a stable government for its full term.
10. Review the division of **Centre-State powers** and give a look into the **Concurrent List** provided in the Constitution to make States to exercise restraint in dealing with the powers of the Centre.
11. Define with clarity what amounts to **electoral malpractice.** Indira Gandhi suffered, in retrospect, for the same reason to some extent and was unseated by the Allahabad High Court.
12. There may be more, but this one is a must before Modi leaves the political arena — **One Nation, One Election.**

'Namma Bhoomi, Namma Hakku'

BJP to stage massive protest against Waqf Board on Nov. 22

Former MP Prathap Simha addressing press persons in city this morning as BJP leaders M.V. Ravishankar and Yoganand look on.

Mysuru, Nov. 20 (BLU&VNS)- Former Mysuru-Kodagu MP Prathap Simha said that the BJP will hold massive protests in Mysuru, Chamarajanagar and Kodagu districts on Nov. 22 with a slogan 'Namma Bhoomi Namma Hakku' (Our Land, Our Right), against the alleged encroachments of lands by Waqf Board.

Addressing the media persons at Jaladarshani Guest House here this morning, Prathap Simha alleged that the Siddramaiah-led State Government was involved in giving away lands to the Waqf Board with the highest number of land being handed over to the Board in T. Narasipur in Mysuru district.

The land, which was notified in 1965 was not taken over but now since Siddaramaiah is in power, the Waqf Board has come forward to claim the ownership of the land, the MP alleged and questioned the need for transferring the land after 50 long years.

Releasing the Gazette notification issued by the Waqf Board during Nov. 4, 1965, Prathap Simha mentioned that the Board had no powers under the Constitution to issue notifications and added that the Waqf Board had also issued similar notification during 2023 claiming the ownership of few other lands.

"They have issued notification to secure the Government lands throughout the State," he said.

"The farmers and Mutts are in a state of confusion as to when the RTCs given in their names would be changed to Waqf Board, which is not a surprise when Siddaramaiah is in power. The Siddaramaiah-led State Government has withdrawn cases filed against SDPI and against the accused who had attacked the Police personnel in Hubballi. Previously, he had also withdrawn cases filed against people belonging to one particular community leading to panic in the Hindu community and now by handing over the lands to Waqf Board, the farmers in the State are tensed," he said.

Conspiracy to grab lands

Former MP Prathap Simha has alleged that the Waqf Board is conspiring to grab a total 618.57 acre land in Mysuru (443.37 acre) and Chamarajanagar (175.20 acre) region. The Muslim community, which claims Siddaramaiah as their CM, is confident of lands being handed over to the Waqf Board, he added.

The former BJP MP also took exception to claims made by former Union Minister C.M. Ibrahim, who had stated that it was the Muslims who had donated the lands to Mantralaya Mutt. "What is the relation between Islam and India? Where did they (Muslims) get lands to donate to our Mutts? The Islam religion came into existence in a desert. It was we who gave them the shelter to live. People like Mohammad Ghazni and Babur had grabbed our lands during their invasion. Despite this, we have retained our lands through struggle," Prathap Simha said.

When asked about his name being omitted from the list of BJP leaders to fight against the Waqf Board, Prathap Simha set aside the rumours about groupism within the party and added that he was an ordinary member of the party and would continue to work for the welfare of the people irrespective of being in power or not.

BJP leaders M.V. Ravishankar and Yoganand were present at the press meet.

WORD OF THE DAY

Inchoate

Pronunciation: in-KOH-ut (adjective).
Meaning: Inchoate is a formal adjective and synonym of vague that describes something that is not completely formed or developed yet.
Origin: Inchoate is most often used to describe something that is not, or not yet, completely formed or developed. As a more formal word than its synonym, vague, it's sure to add pizzazz to any conversation—but only if you start working on pronouncing it correctly. The first two letters of inchoate do what you'd expect—exactly what the word in does. However, the choate in inchoate does not share the first sound of chair, nor does it rhyme with oat. Instead, it shares the first sound of cat, and rhymes with poet. Inchoate came to English in the 16th century from the Latin adjective incohātus, meaning "only begun, unfinished, imperfect," which in turn comes from a form of the verb incohāre, meaning "to start work on."
Example: "Graffiti inserts itself like the blade of a knife between creation and destruction, between publicity and furtiveness, between word and image, cartoon, icon, and hieroglyph. ... That its meaning is inchoate is part of the point. If you can explain it, you probably don't understand." — Jonathan Lethem, Cellophane Bricks: A Life in Visual Culture, 2024.

THE ODD WORD

Inflorescence

Process of producing flowers; flowering.

PHRASE OF THE DAY

In the Bag

Meaning: When you use the expression 'In the Bag' you mean that something has been secured to the point where it is almost in your possession.
Origin: The origin of the phrase 'In the bag' comes from early 20th century America, when the New York Giants baseball team would carry a ball bag off the field when the team was in the lead, superstitiously thinking that the game was 'in the bag' and couldn't be lost.
Example: "Did you get the job you applied for?" Answer: "Not yet, but it's in the bag."

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.
